

There are five main blue parking lots near the Beyster building. Four of them require permits Monday - Friday, 6:00 am - 5:00 pm: **NC21, NC48, NC20, and NC60**. The other lot, NC27 (next to Walgreen), requires a permit (or paid visitor parking) Monday - Saturday, 6:00 am - 8:00 pm.

Attendees can park in **NC21, NC48, NC20, and NC60**, in the blue spaces (only the ones not specially marked) on Saturday without having to pay or have a permit. **NC27** (next to Walgreen) is for blue permits only, otherwise attendees would have to pay if they park in a numbered visitor space since the lot requires a permit/payment until 8:00 pm on Saturdays.

See the parking map below.
